

Reference sheet for Jars, Size 89 mm (side label)

16 oz Clear PET Deep Jar (#100-7231)

8 oz Clear PET Low Profile Jar (#100-7221)

Note: All dimensions given are the size of the label after it has been cut. The size is the maximum tolerated by the container and may be made smaller. We recommend that a 0.1" bleed area be added to both dimensions of the label file.
